Message from Mrs Dockry

I hope you all enjoyed a restful summer holiday!

What a wonderful start to the new school year. Its been great to chat to you all in the mornings and after school. I look forward to catching up with you all over the next few weeks. Learning is in full flow already and all the children are enjoying the new routines, lessons and getting to know their new teachers.

A warm welcome to all our families and especially to our new Reception class who have made a great start to the term. You are all very welcome and we look forward to journeying with you and your child.

In the first few days of term I have been lucky and privileged to visit the classrooms and see how well the children have settled in. A big shout out to all staff who have spent time over the summer and the start of this week, getting school ready for the new year.

Over summer we have seen a number of changes take place. We have a newly refurbished library- thank-you to the PTA who have fully funded this. Pre-school has had new flooring and carpet, which looks fab, and Year 1 have a newly installed interactive whiteboard. We have also had CCTV installed, and have a new class suite of laptops.

Your ongoing support means so much to us, and we're truly fortunate to have such a warm and caring school family.

Attendance – 100% Joint winners – Year 2 and Year 6!!
