Mrs Topliss works across school with all PP pupils for a set period each week.

We have started to use Little Sports to engage PP children who may not have access to many hobbies or activities outside of school. They participate in additional sports activities every Wednesday morning with Mr Lynch.

Teachers have identified that parents would benefit from workbooks that they can work through with their children at home to support their learning.

Future Plans

We are in the process of obtaining quotes for additional iPads to allow us to loan them to PP children who may not be able to access this technology at home.
